Miss Lizzie Golden,
Dennison, Mich.,

Dear Friend:-

Just a few lines to ask you a few questions about school. Will you please make out a report of my last years work. Mr Nolland, the principal of the high school said he would let me start in without taking an examination if I got the report of my last years work from you.

Please send the report to me as soon as possible. And let him know if you think I can enter the 8 – 2 Grade. I only have three studies. Grammar, Arithmetic & History.

How are all the folks down there? Does fosie go to school? Have you any new scholars this year? How is Nora and Sadie getting along. I wish you was going to be my teacher up here. My teacher's name is Miss Daniels.

Please excuse poor writing as I am holding this on my lap. I haven't any desk. I am so tired to-night I have went to school two days. I will close for this time hoping to hear from you soon.
